The Whiteley
Homes Trust

**Thursday 4th
June 2026**

Community Wellbeing Week

Thank you to everyone who took part in the events for our Community Wellbeing Week last month, which featured a range of activities and events across the village. In particular, the accessible walk, flower arranging, seated exercise class and the Big Quiz were very popular.

The Community Teas held throughout the week proved very popular and provided residents with a wonderful opportunity to catch up and connect with other residents from across the Village. A big thank you to everyone who attended and shared their thoughts on what makes living at Whiteley Village so special, what matters most to residents, and the priorities that should shape our new strategy. Your feedback and ideas are incredibly important to us and will play a key role in helping to shape our future strategy and priorities.

We listened carefully to residents' feedback and came away with some valuable ideas for making our future focus activity weeks even better. Residents told us they would prefer a more selective programme of activities, potentially spread over two weeks to allow greater flexibility and participation. We really value these suggestions and will take them on board when planning future events.

TSM Survey results

Thank you once again to everyone who completed a survey form. Your feedback is so important in helping us identify what the Trust is doing well and what service areas need further improvement.

The 2026 results demonstrate a substantial improvement in resident satisfaction over the last 12 months. For example, there have been significant improvements in the following measures:

- **Overall satisfaction** with the Trust increased to **87%** (compared to 65% in 2025)
- Highest satisfaction was for the repairs service, which increased to **91%** (compared to 72% in 2025)
- Satisfaction that the Trust **listens and acts** on feedback increased **77%** (compared to 38% in 2025)
- Residents feeling **treated fairly and with respect** increased to **88%** (compared to 60% in 2025)
- Satisfaction with being **kept informed** increased to **88%** (compared to 58% in 2025)
- Residents also feel our **approach to tackling anti-social behaviour** has improved, now at **64%** (compared to 28% in 2025)

While the 2026 results represent a significant improvement on the previous survey results in March 2025, they also identify clear priorities for further development.

In this year's survey the Trust chose to include an extra question about support provision in the village because of the importance of this service for many vulnerable residents.

Satisfaction with support across all survey respondents was 66%, lower than for many other service areas. This relatively low level of satisfaction strongly suggests this key service area needs to be reviewed further and improved.

The Trust is currently reviewing the results in more detail and will work alongside the new Resident Voice Panel to co-develop an action plan in response to the feedback received. The action plan will be shared with all residents, and we will provide regular updates on our progress throughout the year through the Bulletin and Resident Engagement Sessions.

Affinity Water

While the heatwave was a welcome change to the weather recently, the water utilities had trouble coping with the extra demand. This led to a problem at the local pumping station and Affinity Water were forced to turn off the supply in the **KT12** area which had an impact on the village. As soon as we were informed, we alerted residents via the text messaging service, by email and bottled water was delivered to our most vulnerable residents. Our website also includes a 'tickertape' scrolling message for additional updates.

As well as live updates on the Affinity Water website, you can sign up to their **FREE Priority Services Register** by clicking [here](#) or searching their site for 'extra support for vulnerable customers'. This enables **Affinity Water** to identify customers who may need extra support with communication, access, physical or mental health needs.

On behalf of residents, the Trust has also submitted a formal complaint to Affinity Water regarding the handling of this recent incident. We have stressed the importance of prioritising residents within the Village and ensuring that adequate water supplies are provided promptly whenever major service disruptions occur.

Estates Team update

Resin pathway work is well underway around **Huntley House**, although this can only be laid during a spell of dry weather both during and after the work. Two new bollard lights have been installed along the pathway, and the roundabout has been relandscaped with low level shrubs to give all year-round colour.

All the bollard lights in **Drapers' Crescent** have been renewed giving better light in the evenings and a new road sign will be installed at the end near the Sanctuary. The Estates Team now have a poly tunnel up in the allotment and with help from resident Pat Hawes the team will be growing plants that will be sold in the Village Shop next year.

Recycling in Village

We have been made aware of instances of electrical items, clothing and carpet being put out for recycling. If these items are placed inside the bin, it means that they will not be collected as they are not included in the Council's list of accepted items. As a reminder, their website lists the following for recycling:

These items are allowed

- foil
- dry paper
- dry cardboard
- metal tins or cans
- some plastic: bottles, trays, pots, tubs
- glass bottles and jars
- empty aerosol cans
- empty cartons such as juice and soup (rinse and remove lids)
- clean non-black plastic plant pots
- empty squeeze metal and plastic tubes
eg: tomato purée, toothpaste

These items are NOT allowed

- nappies
- plant pots
- coffee cups
- greasy pizza boxes
- tissues and wipes
- black bin bags or bin liners
- plastic bags, cellophane and polystyrene

Cardboard

Cardboard that will not fit into your bin should be flattened and tied in a bundle. Please leave this next to your bin. To keep it dry, you can put it in a clear bag (not a black or coloured bag). Put any cardboard stained or dirty with foodstuffs, grease, paint or dirt in your rubbish bin - this cannot be recycled.

Any appliances will need to be collected by special arrangement so please contact Elmbridge Borough Council directly. For clothes and textiles, these will not be accepted either and will need to be disposed of separately or donated to a charity shop. There is also a clothes bank behind the Village Shop.

Church Services in June

Community Church services will take place on the Sundays below, at **10.30am** in Huntley House during June with the following Ministers serving:

7 th	Sue James
14 th	David Ritchie - Communion
21 st	Shirley Jones
28 th	Mike Barnard

Sunday Services will be taking place with the following Ministers at **St. Mark's Church** on the following dates in June:

7 th	Holy Communion	The Rev'd Carole Bourne
14 th	Community Service	No minister
21 st	Holy Communion	The Rev'd Canon Dr Richard Truss
28 th	Community Service	No minister

All services begin at 10.30am.

As usual, on the last Sunday of the month, congregants are invited to take Communion at St. Peter's Church, Hersham which this month is on **June 28th**.

The Trust will pay for transport to and from St. Peter's Church for any resident wishing to attend the service.

Welcome to the team!

We welcome the following new member to the Whiteley team:

Keane Vincent-Ayles – Groundskeeper

I started working in labouring and landscaping when I was 14 which I did enjoy but also wanted to develop my career. Outside of work, I enjoy going to football with friends seeing matches up and down the country as well as travelling and have visited Italy, the Netherlands and Spain.

Community Team update

Upcoming dates for your diary

15 th June	Chickoo – free IT clinic	10am – 12 noon
29 th June	Chickoo – free IT clinic	10am – 12 noon
1 st July	Parkside School will be here delivering activities for residents in Huntley House 9.30am – 12 noon – EVERYONE welcome	
11 th July	Summer Fair	11am – 4pm
29 th September	Founders Day	Details coming soon!

Join us for our Summer Fair on Saturday 11th July 2026

It promises to be an enjoyable day for the whole community, with a range of stalls and children's activities to explore. The Community Café will be open, alongside ice cream stalls and a Pimm's bar for refreshments.

We are also pleased to welcome a visit from the local fire brigade, which is always a popular part of the day. We hope you can come along and spend some time with us.

Elmbridge Shopping Trips

We are pleased to renew our membership for the Elmbridge shopping trips. If you use this service or would like more information, you can contact Wendy by calling 01932 842360

FREE transport

Do not forget we have a driver available to help you with trips within the village Monday to Friday, 10am – 4pm. Call 01932 825933 to book. As we approach the summer months, we have seen a reduction in the use of the driver within the village. As a result, we have decided to pause the recruitment of a second driver. In the interim, additional cover will be provided by the caretakers. We will review this arrangement again in the autumn. We will continue to support out-of-hours requests and special events.

Complaints Performance Report

We are committed to dealing with complaints from residents fairly and ensuring we learn from complaints and resident feedback to continually improve our services. Our Complaints Performance Report for April 2025 – March 2026 will be published on the website by 30th June and in it will be details about the complaints we have received and how they have been dealt with.

In the year ahead, we will focus on addressing the key themes identified through complaints and strengthening service quality. Our priorities are:

- a. Completing a Stock Condition Survey of all residential dwellings
- b. Continuing with our programme of topping up loft insulation in homes
- c. Reviewing the I'm Okay service
- d. Reviewing the out-of-hours service
- e. Continuing policy reviews
- f. Strengthening resident scrutiny
- g. Review heating bills so they are clearer for residents

The next Bulletin is due out on Thursday 2nd July

Fish 'n' Chips & Boogie

Friday 5th June

Dance to Legends of the 80's' & more from our DJ!

12 noon - 3pm

at the Community Café

(The fish and chip van will be up at the Café from 12 noon - 1pm)

The Whiteley Village Second Chance Shop Fashion Show

Friday 12th June

On the Community Café terrace

Come & see our lovely models strut their stuff in our new summer stock!

**Free entry into raffle for a summer outfit!*

WVRC Social Committee Music events...

LIVE Music

Please join us in the **Conservatory** next to the Community Café on **Tuesday 9th June at 2.30 pm.**

Yazmin is going to sing for us accompanied by Terry on guitar.

She spent 5 years at Tring Residential Performing Arts College before going on to complete a University Degree in the art of Film Making.

During her degree studies she created a Short Film about Whiteley Village for which she received a special award.

Terry's Karaoke Evening

Friday 19th June

Please join us in the **Conservatory** for Terry's Karaoke Evening on **Friday 19th June at 6pm.**

The only requirement is to have fun and to sing or enjoy others performing their favourite songs.

We will have a small raffle with profits going to the Welfare Fund

Also: following the success of the recent quiz night, Penny and Chris will be hosting a regular last Friday in the month Quiz Night. The next one will be 26th June.

Email Chgoldsmith29@gmail.com for more details and to register by 24th June
