Community Wellbeing Week

The **Community Wellbeing Week** is **11th – 16th May** and we have lined up a programme of FREE events for residents to participate in. The activities are focused on participation, inclusion and wellbeing. You should have received the schedule via email or through your door so do make a note of the things you'd like to try and we look forward to seeing you. There is a summary of the events at the end of this Bulletin. Don't forget that we have a village driver, Kevin, who would be happy to pick you up and take you to any of the activities and make sure you get safely home.

TSM Survey results

Thank you to everyone who completed the annual resident satisfaction survey in April. 176 responses were received, giving a response rate of 59%, up from 42%, which is great! Congratulations to the two winners of the prize draw who are:

Margaret & Bernard McLaughlin in Circle Road

Mary McClymont in Huntley House

The headline results show good progress in all areas, with an overall resident satisfaction score of 87%, up from 65.4% last year. The valuable feedback will be used to directly influence how we deliver and will be scrutinised by the Resident Voice Panel who will help us to determine the priority areas where the Trust can make further improvements.

We are waiting for the detailed report from Acuity, who independently conducted the survey and the results will be published in the next Bulletin.

New Signage in the Village

Following resident feedback, we have improved the signage throughout the village. They include lower-level road signs and upper navigation to help visitors and residents find their way. We received a nice quote from resident Joy who said: “A big thumbs up for our beautiful signs in the village! They are so clear and smart and look particularly 'countrified'. Very much in keeping with our lovely environs.”

A Message from the WVRC

“As discussed at the recent AGM we are asking again for nominations for the position of Vice Chair of the WVRC and would ask you to please consider putting yourself forward. Please feel free to talk to the Chair, Beryl Davies, or the Secretary, Retha Nicolle who will both have nomination forms available.

Job Description is as follows:

- To Support the Chair and take meetings should the Chair be unavailable.
- To attend all the WVRC and Whiteley Village Club Secretaries meetings.
- To attend meetings with members of the Trust when required.
- To attend any other meetings that may be called to discuss anything that may arise unexpectedly.
- To support our representatives should they need it.

This position is normally for a 2-year period and then to step up as Chair for 2 years but this is not obligatory.

We are also looking for a 5th Officer to join the WVRC as a Community Liaison Officer.

Job Description is as follows:

To work closely with the other Officers, Social Committee, Section Representatives and others to ensure that activities are well managed and supported for the wellbeing and happiness of the villagers.

We would very much like one of our current representatives to fill this role, but it is not essential. This position would be for 2 years but also not obligatory.

We are hoping to have nominations for these positions before the EGM – which is on Thursday 11th June 2026, so that the individuals can be confirmed at the AGM on Wednesday 8th July 2026. We would be happy to chat to you about either of these posts and any ideas you may have to enrich our village. We will be up at the café on Thursday 14th and 21st May from 10.30am until 12 noon.”

[Jazz at the Café](#)

On Thursday 23rd April we welcomed students from ACS International School in Cobham who treated us to a musical afternoon of jazz standards. Luckily, the sun shone and they were able to take centre stage outside on the terrace behind the Community Café.

Payments via the Village Shop

From now on, all bill payments relating to Whiteley Village matters can be made using one of the following methods:

- **Cash or card payments** at the **Village Shop** (ideally between 9.30 – 12 noon)
- **Bank transfer payments** can be made to the following account:

The Whiteley Homes Trust

Sort Code: **30-99-09**

Account Number: **00026062**

Reference: **(Your Name)**

Please note that **payments will no longer be accepted at Huntley House**. Thank you for your attention in this matter.

Whiteley Village Open Day

The Trust held an Open Day on 15th April to raise greater awareness of Whiteley Village and the many housing opportunities that often arise here.

Fifty people from a range of organisations across Surrey, involved with supporting or working with older people, attended the event. These included various charities, voluntary groups, council teams and other housing providers. The feedback from everyone who attended was extremely positive, with many saying they were previously unaware of this wonderful community. The Trust will continue to work with these and other organisations to ensure more people know about and chose to apply for accommodation in the village.

Calling all extras! Photo request

We'd like to capture some images of residents in the village either at home, on walks, tending to their gardens or participating in activities and Clubs.

If you'd like to take part, we'd be extremely grateful. The photos will be used for some of our publications, newsletters and on the website and social media.

Please contact Paul Stewart by email paul.stewart@whiteleyvillage.org.uk or call 01932 504886.

May Bank Holiday

The Village Shop will be **closed** on Monday 25th May but the Café will be open from 10am – 4pm and the Caretaking team will be on site providing cover as usual from 11am – 10pm.

Please be advised that we are currently reviewing pricing within the Café. Owing to increases in supplier costs and other factors beyond our control, the prices of selected food and beverage items will be increased with effect from **1st June 2026**. We appreciate your understanding in this matter.

Huntley House

“Would you or anyone you know benefit from moving to Huntley House?”

Huntley House is an ideal choice for those wishing to maintain their independence but who occasionally need some extra support or care to do so. Our support team are available on site 24 hours a day, including weekends.

The scheme comprises 51 attractive one-bedroom apartments and benefits from two communal lounges, large sun patio and laundry. Residents are able to enjoy a wide variety of social activities and events in a friendly environment.

Our free driver service also means that any Huntley House residents with mobility difficulties can benefit from transport to attend the café and other events in the village. Please contact the Housing Team if you'd welcome an informal discussion about Huntley House and/or to have a general look round the scheme. Call: 01932 825844 or email: housing@whiteleyvillage.org.uk

Welcome to the team!

We welcome the following new members to the Whiteley team:

Kevin Hegarty – Village Driver

I began my career in my hometown of Glasgow in the building industry then moved to Victoria Wine as a branch manager of an off licence. I then moved to the South East of England and have spent the last 30 years working as a Prison Custodial Officer for Serco. Outside of work, I have a keen interest in football (my team is Manchester United), I am an avid walker and I love to garden.

Michelle Hill – Café Supervisor

I've lived in Hersham all my life and now live in the village with my partner of 31 years, our two cats and our Staffy. I have two children, aged 26 and 22.

I started my career as a hairdresser before moving into hospitality roles at Elmbridge Leisure Centre and later Xcel, where I worked in the café for 10 years. I then spent 8 years at Crumbs, becoming manager last September. I'm now looking forward to starting a new chapter with Whiteley Village.

Mike Frost – Estate Grounds Worker

I have over 20 years of experience across yard operations, logistics and grounds maintenance, progressing from the timber industry into leadership roles. At Chessington Garden Centre, I led a team of 15, oversaw logistics and fulfilment, and launched an e-commerce operation during Covid-19 while acting as Health & Safety lead. More recently, I worked in Grounds & Facilities at ACS School, maintaining high standards, delivering projects and supporting compliance. Outside work, I'm family-focused with two young children and enjoy gardening, carpentry, DIY, darts, golf and gaming.

And we say goodbye to Paul, our first village driver, who has secured a new transport manager role and we wish him well and thank him for helping us to establish the village driver service.

A vibrant, cartoon-style illustration for a summer fair. At the top left is a large, smiling sun wearing black sunglasses. To its right, a string of colorful triangular bunting flags hangs across the top. The background is a light green sky with a large white circle in the center. Two hot air balloons, one blue and white striped and one red and white striped, are floating on either side of the central text. At the bottom, there are two red and white striped tents with yellow star emblems. In the center, four ice cream sticks (orange, chocolate, pink, and yellow) are shown. A blue banner with white text is draped across the middle. The overall theme is festive and summery.
