

VoiceVillage

Giving everyone a voice. Giving every community a platform.

Village Voice Platform

Resident Terms and Conditions of Use

Version 1.1 | May 2026

These Terms and Conditions govern your use of the Village Voice platform (the “Platform”), provided to residents of your community by VoiceVillage. Please read them carefully. By using the Platform you agree to these terms.

If you have any questions please speak to your community administrator or contact VoiceVillage at colinhills@voicevillage.co.uk.

1. About the Platform

The Village Voice platform is a digital resident companion provided by VoiceVillage to help you stay connected with your community. It gives you access to:

- Village news and updates
- The village events calendar
- A message board where you can share questions and views with your community
- Emergency and local service contacts
- Community contacts, documents and resources
- Anonymous resident surveys

The Platform is provided to residents free of charge. It does not require you to download anything. You access it through your phone, tablet, computer or smart TV's web browser using a link or bookmark provided by your community.

2. Accessing the Platform

To use the Platform you will need to be registered as a resident of your community. Registration is managed by your community administrator.

When you register, you will be asked to provide your name, address, email address and optionally a mobile number and an emergency contact. You will also be asked to tick a consent box confirming you are happy for this information to be stored. You must tick this box to complete registration.

Once your registration is approved you will receive a personal access link by email. Tap or click this link to open the Platform. The link is unique to you and allows you to access the Platform without entering a password.

Please keep your access link safe and do not share it with others. If you lose your link or change email address, please contact your community administrator to receive a new one.

3. How We Use Your Information

VoiceVillage takes your privacy seriously. Here is how we use your personal information:

Information you provide

- Your name, address and contact details are used to manage your access to the Platform and to allow your community administrator to contact you if needed.
- Your emergency contact details are stored securely and shown only to you within the Platform. They are not shared with other residents.
- We do not use your information for marketing purposes.
- We do not share your information with third parties except where required by law.

Information generated by your use

- If you post a message on the Message Board, your first name and last initial will be shown alongside your post. All other registered residents can see posts on the Message Board.
- Survey responses are completely anonymous. We do not store which individual resident gave which answer. Only the total counts are recorded.
- We do not track your browsing behaviour within the Platform beyond what is necessary to make it work.

How long we keep your information

Your personal details are kept for as long as you are a registered resident. If you ask to be removed from the Platform, your details will be deleted within 30 days.

Your rights

Under UK data protection law you have the right to:

- See a copy of the information we hold about you
- Ask us to correct any inaccurate information
- Ask us to delete your information
- Withdraw your consent at any time

To exercise any of these rights, please contact your community administrator or email colinhills@voicevillage.co.uk.

4. The Message Board

The Message Board lets you share questions and views with your community. Your posts are visible to all registered residents of your community.

When using the Message Board, you agree to:

- Post only content that is respectful, constructive and relevant to village life
- Not post anything that is offensive, abusive, discriminatory or defamatory
- Not post anything that could be considered threatening or harassing to other residents or staff
- Not include personal contact details of other individuals in your posts

Your community administrator can remove posts that breach these guidelines. Repeated misuse of the Message Board may result in your access being suspended by the community administrator.

If you have an urgent matter please use the Emergency Contacts section or contact the village office directly.

5. Surveys

From time to time your community administrator may post surveys asking for your views on aspects of village life.

All survey responses are completely anonymous. Once you have submitted your answer you cannot change it, but your identity is never recorded alongside your response.

Participation in surveys is entirely voluntary. You will never be required to take part.

Survey results are shown to all residents in real time so you can see what the community thinks.

6. Emergency Contacts

The Emergency section of the Platform provides telephone numbers for emergency services, the NHS, local dentists and the village management team. These are provided for information only.

In a life-threatening emergency always call 999 immediately.

VoiceVillage makes every reasonable effort to keep contact details accurate but cannot guarantee that all numbers are current at all times. If you notice an error please let your administrator know.

7. Availability of the Platform

VoiceVillage aims to keep the Platform available at all times but we cannot guarantee uninterrupted access. The Platform may occasionally be unavailable due to maintenance, technical issues or events outside our control.

We will aim to give advance notice of any planned maintenance where possible.

8. Acceptable Use

By using the Platform you agree not to:

- Attempt to gain unauthorised access to any part of the Platform or its underlying systems
- Use the Platform in any way that could damage, disable or impair its operation
- Use another resident's identity or share your access link with others
- Use the Platform for any unlawful purpose

Any misuse of the Platform may result in your access being suspended or terminated. Serious misuse may be reported to the relevant authorities.

9. Changes to These Terms

VoiceVillage may update these Terms and Conditions from time to time. We will notify you of any significant changes via the Village News feed in the Platform. Your continued use of the Platform after changes are posted will be taken as your acceptance of the updated terms.

10. Contact Us

If you have any concerns about the Platform, your data or these terms, please contact:

Email	colinhills@voicevillage.co.uk
Website	voicevillage.co.uk
Your administrator	[Community administrator contact]

VoiceVillage is currently operated by Colin Hills. Following a successful trial outcome, Village Voice will be operated by a limited company wholly owned by Colin Hills. Village Voice is the resident-facing name for the VoiceVillage platform. These Terms and Conditions are governed by the laws of England and Wales.
